

Participant Prep for Fall 2015 ALL Conference Keynote Presentation

1. Download the following free apps to your smart phone/tablet:

- Twitter
- QR Reader

* Twitter can also be accessed from a laptop. QR Reader is a shortcut to URLs, so while not essential, having it will maximize your active learning experience.

2. Review your Twitter account:

- Not yet on Twitter? Find out how to **get started here:**

<https://support.twitter.com/articles/100990#>

- Practice using Twitter by **posting** an idea that you have to transform education adding **#melttheglacier** to the end of your tweet.

* There will be **raffle prizes** for Tweepers. Don't miss out!!

3. Practice with your QR Reader:

4. Need help?

- Come early to the keynote and we will be waiting to support you between 7:30-8:00 AM!
