Associate Degree for Transfer Requirements
General Education Transfer Pattern Requirements
CSU System Information
UC System Information

California Community Colleges are now offering Associate Degrees for Transfer to the CSU. These may include Associate in Arts for Transfer (AA-T) or Associate in Science for Transfer (AS-T) degrees. These degrees are designated to provide a clear pathway to a CSU major and baccalaureate degree. California Community College students who are awarded an AA-T or AS-T degree are granted admission with junior standing somewhere in the CSU System and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses.

Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units.

To view the most current list of Palomar College Associate Degrees for Transfer and to find out which CSU campuses accept each degree, go to http://www.sb1440.org/Counseling.aspx. Major requirements are listed under the corresponding discipline in Section 8. Current and prospective community college students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

Associate Degree for Transfer Requirements

I. Minimum Units
The Associate degree for transfer requires completion of a minimum of sixty (60) CSU-transferable semester units. Courses numbered 1-99 do not count in the sixty (60) units toward the degree. (See the Course Numbering System and Transfer Identification listing.)

II. Grade Point Average (GPA)
Maintain a cumulative grade point average of 2.0 (‘C’ average) or higher for all CSU-transferable course attempted.

III. Residency
Complete a minimum of twelve (12) semester units in residence as an officially enrolled student at Palomar College.

IV. Major
Complete a minimum of 18 semester units in an “AA-T” or “AS-T” major as detailed in Section 7 of the catalog. All courses in the major must be completed with a grade of C or better (Title 5, 55063). Although courses in the major may be taken for Pass/No Pass grading, it is not recommended.

V. District Requirements
Students following Associate Degrees for Transfer (AA-T or AS-T) are not held to Palomar College District Requirements.

VI. General Education Requirements
Certified completion of the California State University General Education Breadth (CSU GE Breadth) pattern or the Intersegmental General Education Transfer Curriculum (IGETC-CSU) pattern is required. Refer to the CSU GE or IGETC Requirements listings in this section or see a counselor for more information.

Additional Degree Information
Catalog Rights and Continuous Enrollment Criteria
Eligibility for graduation is determined by catalog rights and continuous enrollment. Students who do not wish to use the catalog in effect at the time they began continuous enrollment should indicate which catalog they wish to use; otherwise, the catalog under which they began continuous enrollment, or the current catalog, will be used.

Continuous enrollment is defined as attendance in one semester or two quarters (excluding summer) within a calendar year (January through December) in the CSU, UC, or California Community Colleges system following initial enrollment at Palomar. A student must have received a letter grade (including “W”) in the semesters of attendance to maintain continuous enrollment. If a student does not maintain continuous enrollment, the evaluation will be based on the requirements in effect at the time of return to Palomar College, or the date the degree is awarded.

Notice of Intent to Graduate
When all requirements are completed or in progress, students should submit a Petition for Graduation to the Evaluations Office in the Student Services Center, room SSC-40. Petitions are available in the Counseling or Transfer Centers, the Evaluations Office, or online. Deadlines are strictly adhered to; petitions must be submitted no later than the dates listed below.

- Spring graduation – February 28th
- Summer graduation – June 30th
- Fall graduation – September 30th

Conferring of Degrees
Associate in Arts for Transfer and Associate in Science for Transfer degrees will be conferred formally at the Commencement Ceremony held in May at the end of each spring semester. However, students will receive their degree following the close of the semester in which they apply for graduation.

Transfer Planning
Students planning to transfer to a four-year university have a wide variety of options. The California State University (CSU) with 23 campuses, the University of California (UC) with 9 campuses, and numerous private, independent colleges in California, as well as out-of-state universities, offer a broad range of academic programs, physical and academic environments, and social climates. Palomar College offers the equivalent of the first two years of these four-year college and university degrees. Students wishing to pursue any of these educational alternatives should meet with a counselor as early as possible to discuss their educational plan.
Successful transfer planning requires the following steps:

- Selecting an academic/career goal
- Selecting an appropriate major to meet your goal
- Selecting the most suitable college or university
- Developing and completing a course of study in preparation for transfer
- Completing the application process; it is advisable to apply to more than one university

Students are encouraged to take advantage of the resources and assistance available in the Transfer Center to successfully complete the steps listed above.

To prepare for transfer, students must decide which campus they will attend through research in the Transfer Center, located in the SSC Building, and consult a counselor for the specific requirements for that particular campus and to create an educational plan. All colleges and universities have specific admission requirements, and may have course and unit requirements as well as minimum grade point averages that must be met prior to transfer. Four-year colleges and universities require students to complete specific general education requirements and major preparation requirements. Students should complete as many of these requirements as possible before they transfer. Palomar College maintains articulation agreements with many colleges and universities which list courses that satisfy general education requirements and lower division major preparation for transfer. For more detailed information, go to www.palomar.edu/counseling/transfercenter.

California State University General Education (CSUGE) Requirements

The following is a General Education pattern which will meet all lower-division General Education requirements at any CSU campus.

Minimum Units
A minimum of 39 semester units is required for full certification of lower-division general education requirements.

Grade Point Average
A minimum of 2.00 ('C' average) is required.

Advanced Placement (AP) Program
Palomar College will accept AP exams toward fulfillment of CSU GE requirements. Please refer to the AP Exam Chart in Section 5 of the catalog for acceptable general education scores and placement. Please see a counselor for AP acceptance toward major preparation and units toward transfer.

College Level Examination Program (CLEP)
Palomar College will accept some CLEP exams toward fulfillment of CSU GE requirements. Please refer to the CLEP Exam Chart in Section 5 of the catalog for acceptable general education scores and placement. Please see a counselor for CLEP acceptance toward major preparation and units toward transfer.

Foreign Course Work
Palomar College will not include foreign course work on the GE certification. Due to the varying policies in the acceptance of foreign transcripts, the determination regarding their use is left to the transfer institution.

International Baccalaureate (IB) Program
Palomar College will accept some IB exams toward fulfillment of CSU GE requirements. Please refer to the IB Exam Chart in Section 5 of the catalog for acceptable general education scores and placement. Please see a counselor for IB acceptance toward major preparation and units toward transfer.

Petition for Certification
Upon enrollment in final requirements, students should submit a Petition for Graduation/Transfer Certification form to the Evaluations Office in the Student Services Center, room SSC-40. To be eligible for certification, 12 of the required 39 semester units must be completed at Palomar College.

GE Course Effective Dates
Dates in parentheses (FxX) following a course indicate the approval of the course for an area. Courses taken prior to date indicated would not be acceptable for meeting a general education requirement.

AREA A: ENGLISH LANGUAGE COMMUNICATION AND CRITICAL THINKING
9 units – one course required from each group below. Minimum grade of ‘C’ required.

A1. Oral Communication
Speech 100

A2. Written Communication
English 100

A3. Critical Thinking
English 202, 203
Philosophy 113, 116, 200
Reading 120 (F04)
Speech 105

AREA B: SCIENTIFIC INQUIRY AND QUANTITATIVE REASONING
9 units – one course required from each group below. A lab course must be taken in either group 1 or 2.

B1. Physical Science
Astronomy 100, 105L, 120
Chemistry 100, 104, 105 (F91), 110, 110L, 115, 115L, 205 (F07), 210 (F92), 220 (F91), 221 (F91)
Earth Sciences 100, 100L, 115
Geography 100, 100L, 110, 115 (F98), 125
Geology 100, 100L, 110, 120, 125, 150, 150L
Oceanography 100, 100L
Physical Science 100, 100L, 101, 101L
Physics 101, 102, 120, 121 (F91), 200, 201, 230, 231 (F91), 232 (F91)

B2. Life Science
Anthropology 100, 100L, 101
Biology 100, 101, 101L, 102, 105, 106, 110, 114 (F98), 114L (F98), 118 (F93), 118L (F98), 130, 131, 131L, 135 (F09), 200, 201
Botany 100, 101, 101L
Microbiology 200
Psychology 210
Zoology 100, 101, 101L, 120, 135 (F09), 145, 145L (F93), 200, 203 (F93)
B3. Laboratory Activity
This requirement may be met by the completion of any lab course above in B-1 or B-2. The lab must be a prerequisite or corequisite to the lecture course. Lab only courses are identified with an 'L' and courses with labs included are underlined.

B4. Mathematics/Quantitative Reasoning
(Minimum grade of ‘C’ required)
Math 100, 105, 106 (F98), 110, 115, 120, 130, 135, 140, 141 (F98), 200 (F92), 205 (F98), 206 (F98), 245 (F07)
Psychology 205
Sociology 205

AREA C: ARTS AND HUMANITIES
9 units – three courses required, with at least one in Arts and one in Humanities.

C1. Arts (Arts, Cinema, Dance, Music, Theatre)

CSU GRADUATION REQUIREMENT IN U.S. HISTORY, CONSTITUTION AND AMERICAN IDEALS
All CSU campuses require completion of this requirement.

Complete one or two Palomar courses (or an equivalent) or one AP/CLEP exam from each of the three US components listed below. Courses listed in more than one area can meet multiple components (e.g. HIST 102 meets both US-1 and US-3). Minimum exam scores are listed with each approved exam

US-1: The historical development of American institutions and ideals
- Africana Studies 102
- American Indian Studies 101
- American Indian Studies 102
- Chicano Studies 101, 102
- History 101
- History 102
- History 140
- History 141
- Religious Studies 102
- Political Science 101+102 (together meet US-1)
- AP Exam (Score of 3): U.S. History
- CLEP (Score of 50): History of the U.S. I
- CLEP (Score of 50): History of the U.S. II

US-2: The Constitution of the United States and the operation of representative democratic government under that Constitution
- Political Science 101
- Political Science 102
- Africana Studies 101+102 (together meet US-2)
- American Indian Studies 101+102 (together meet US-2)
- Chicano Studies 101
- History 101+102 (together meet US-2)
- History 140+141 (together meet US-2)
- AP Exam (Score of 3): U.S. Government & Politics

US-3: The process of California state and local government
- Africana Studies 102
- American Indian Studies 102
- Chicano Studies 102
- History 102
- History 141
- Political Science 102
- Political Science 120 (F09)

Students who have completed coursework outside California should consult with a counselor to ensure completion of the three required components.

Intersegmental General Education Transfer Curriculum (IGETC) Requirements - UC/CSU

Please read before following the IGETC

The IGETC is a general education pattern which will meet all lower-division general education requirements at all CSU or most UC campuses.

It should be noted that completion of the IGETC is not a requirement for admission to CSU or UC, nor is it the only way to fulfill the lower-division general education requirements of the CSU or UC prior to transfer. Depending upon a student's major and field of interest, the student may find it advantageous to fulfill the CSU general education requirements, or those of the UC campus or college to which the student plans to transfer. Some colleges within the UC system will not accept IGETC. It is strongly recommended that students consult with a counselor to determine which general education pattern is the most appropriate for them.

Rules for using the IGETC pattern

1. Upon enrollment in final requirements, the student must submit a Petition for Graduation/Transfer Certification form to the Evaluations Office.
2. All IGETC courses must be completed with a grade of 'C' or better. A 'C-' is not acceptable.
3. UC transfers need not complete the Oral Communication requirement (Area 1, Group C).
4. CSU transfers need not complete the Language Other Than English requirement. It is recommended that CSU transfers complete the U.S. History, Constitution, and American Ideals requirement prior to transfer.
5. Some UC transferable courses have credit limitations. Specific limitations are indicated with the course descriptions in the PC Catalog or available on the assist website at http://www.assist.org.
6. Some UC campuses may not allow use of the IGETC for students who were previously enrolled at a UC campus. See your counselor for these restrictions.
7. Palomar can certify coursework completed at other California Community Colleges provided that it appears on their IGETC course list. Coursework completed at other colleges and universities may be included with approval from PC faculty and the Evaluations Office. CLEP credit or foreign coursework will not be included on the IGETC certification.
8. Advanced Placement (AP) exams can be used to satisfy many course requirements on IGETC. Please refer to the AP Exam Chart on the Articulation website (www.palomar.edu/articulation/) for acceptable scores and placement. See a counselor for AP acceptance toward major prep and units toward transfer. Credit will be given for only one course per area.
9. International Baccalaureate (IB) exams can be used to satisfy many course requirements on IGETC. Please refer to the IB Exam Chart on the Articulation website (www.palomar.edu/articulation/) for acceptable scores and placement. See a counselor for IB acceptance toward major prep and units toward transfer. Credit will be given for only one course per area.
10. If transferring to a UC, a high school transcript demonstrating 2 years of the same foreign language with a final grade of 'C' or better will satisfy Area 6. An official high school transcript must be on file with the Records Office.
11. Students wishing to use a course to meet an IGETC requirement must be sure that the course is on the approved list during the academic year in which it is taken. Refer to the statement and semester approval lists following the IGETC pattern.
12. For partial IGETC certification information, make an appointment with a counselor through the Counseling Center.
GE Course Effective Dates
Dates in parentheses (Fxx) following a course indicate the approval of the course for an area. Courses taken prior to date indicated would not be acceptable for meeting a general education requirement.

5C. Laboratory Activity  
This requirement may be met by the completion of any lab course above in 5A or 5B. The lab must be a prerequisite or corequisite to the lecture course. Lab only courses are identified with an 'L' and courses with labs included are underlined.

AREA 6: LANGUAGE OTHER THAN ENGLISH –  
UC requirement only  
Satisfy one of the following:

1. Proficiency equivalent to two years of high school study in the same language with a grade of ‘C’ or better.
2. One of the following courses, completed with a grade of ‘C’ or better: American Indian Studies 167A, 167B; American Sign Language 100 (F02), Arabic 101, 101B (F06), Chinese 101, French 101, German 101, Italian 101 (F97), Japanese 101, Spanish 101, 101B
3. Any Palomar College foreign language course beyond the elementary level.

CSU GRADUATION REQUIREMENT IN U.S. HISTORY, CONSTITUTION AND AMERICAN IDEALS
- Not part of IGETC; may be completed prior to transfer.
- Complete one or two Palomar courses (or an equivalent) or one AP/CLEP exam from each of the three US components, listed below. Courses listed in more than one area can meet multiple components (e.g. HIST 102 meets both US-I and US-3). Minimum exam scores are listed with each approved exam.

US-1: The historical development of American institutions and ideals
Africana Studies 102  
American Indian Studies 101  
American Indian Studies 102  
Chicano Studies 101, 102  
History 101  
History 102  
History 140  
History 141  
Religious Studies 102 [F08]  
Political Science 101+102 (together meet US-I)  
AP Exam (Score of 3): U.S. History  
CLEP (Score of 50): History of the U.S.I  
CLEP (Score of 50): History of the U.S.II

US-2: The Constitution of the United States and the operation of representative democratic government under that Constitution
Political Science 101  
Political Science 102  
Africana Studies 101+102 (together meet US-2)  
American Indian Studies 101+102 (together meet US-2)  
Chicano Studies 101  
History 101+102 (together meet US-2)  
History 140+141 (together meet US-2)  
AP Exam (Score of 3): U.S. Government & Politics

US-3: The process of California state and local government
Africana Studies 102  
American Indian Studies 102  
Chicano Studies 102  
History 102  
History 141  
Political Science 102  
Political Science 120 [F09]

Students who have completed course work outside California should consult with a counselor to ensure completion of the three required components.

IGETC EFFECTIVE DATES
The IGETC program began in Fall 1991. Course work completed prior to that term may be used for IGETC if it appeared on the 1991-92 IGETC course list. All courses taken in Fall 1991 or later must be on the approved IGETC list at the time they were taken. Courses added to the IGETC list are listed below with their approval date. It is important for students to have an updated list each year while at the community college.

Fall 1992 Additions:  
AJ 100; BIOL 131L; BOT 115; CHEM 210; COMM 100, 105; ENG 202, 203; FREN 220, 225, 230; GEOG 110; MATH 200; MUS 170; PHIL 115; RUSS 220; ZOO 120, 145

Upper Division Transfer Admission Requirements

Minimum eligibility requirements for admission include the following, but may not be competitive for all campuses and/or majors:

1. Have a college grade point average of 2.0 or better (2.4 for non-California residents) in all transferable college units completed.
2. Are in good standing at the last college or university attended, i.e., you are eligible to re-enroll.
3. Have completed or will complete prior to transfer at least 30 semester units (45 quarter units) of courses which include English Composition, Oral Communication, Critical Thinking, and Mathematics, with grades of 'C' or better in each course.
4. Have a total of 60 CSU transferable units.

Please be advised that these are minimum entrance requirements, and that they do not guarantee admission to any of the 23 CSU campuses. Many CSU campuses are currently requiring completion of all general education courses, as well as completion of all lower division major preparatory course work offered at the community college you are attending. GPA requirements will vary with the applicant pool. Prospective transfer students are urged to make an appointment with a counselor to begin their transfer planning early.

Application Filing Periods

All California State Universities use a common admission process. Some campuses require supplemental application materials. Students must apply online at www.csumentor.edu. Most campuses will acknowledge receiving your application within two to four weeks.

- Fall Semester or Quarter 2016: October 1, 2015
- Summer Semester or Quarter 2016: February 1, 2016
- Winter Quarter 2017: June 1, 2016
- Spring Semester or Quarter 2017: August 1, 2016

NOTE: Filing an application on time, correctly, and completing the required follow-up steps can make the difference between being accepted or not.

The California State University (CSU) System

The California System of State Universities and Colleges provides upper-division educational programs for California Community College transfer students.

Palomar College students wishing to transfer to a California State University may choose from the following campuses:

- Bakersfield (Q)
- California Maritime Academy (S)
- Cal Poly, Pomona (Q)
- Cal Poly, San Luis Obispo (Q)
- Channel Islands (S)
- Chico (S)
- Dominguez Hills (Q)
- Fresno (S)
- Fullerton (S)
- East Bay (Q)
- Humboldt (S)
- Long Beach (S)
- Los Angeles (Q)
- Monterey Bay (S)
- Northridge (S)
- Sacramento (S)
- San Bernardino (Q)
- San Diego (S)
- San Francisco (S)
- San Jose (S)
- San Marcos (S)
- Sonoma (S)
- Stanislaus (4-1-4)

S = Semester system; Q = Quarter system

Students planning to transfer to a California State University should plan a program to meet the admissions and graduation requirements of the specific institution that they plan to attend. Due to budget constraints, the CSU System will have reduced enrollment spaces for new students. See a counselor to inquire about individual campus requirements.

General Education/Breadth Options

All campuses of the CSU system require a minimum of 48 semester units of general education. Thirty-nine of these units may be taken at community colleges. Students may fulfill the lower division general education requirements prior to transfer by completing one of the following three options:

1. The California State University General Education Certification pattern which will fulfill the lower division general education/breadth requirements for all CSU campuses.
2. The Intersegmental General Education Transfer Curriculum which will fulfill the lower division general education/breadth requirements for all CSU and most UC campuses.
3. The specific lower division general education/breadth requirements of the campus to which they intend to transfer.

The CSU GE and IGETC transfer certification patterns are listed above under Transfer Planning. Students should consult a Palomar College counselor to determine which option is best suited for their educational objective.
General Education Certification

Certification is a legal agreement between CSU and community colleges in California to assure that CSU lower division general education requirements have been satisfied.

Upon student request the Evaluations Office at Palomar College will provide certification of appropriate general education course work. Official transcripts from other colleges and universities, Advanced Placement exams, and International Baccalaureate exams must be on file before submitting the petition, and will be reviewed for inclusion in the certification process.

The University of California (UC) System

The University of California is an integral part of the public education system of California. The campuses of the University of California are located in:

- Berkeley (S)
- Davis (Q)
- Irvine (Q)
- Los Angeles (Q)
- Merced (S)
- Riverside (Q)
- Santa Barbara (Q)
- Santa Cruz (Q)
- San Diego (Q)
- San Francisco (Q)

S = Semester system; Q = Quarter system
+ San Francisco is primarily for graduate-level medical studies

Each campus of the University of California accepts course work from the California Community Colleges system designated as UC transferable at full unit value. Students intending to transfer to the university will find it advantageous to complete their lower division requirements at Palomar College. To prepare for transfer, students must decide which college they will attend through research in the Transfer Center, SSC Building, and consult a counselor for the specific requirements for that particular campus and to create a written educational plan.

Upper Division Transfer Admission Requirements

Minimum eligibility requirements for admission include the following, but may not be competitive for all campuses and/or majors.

1. Complete 60 semester (90 quarter) units of transferable college credit with a grade point average of at least 2.4 (2.8 or higher for non-resident students).
2. Complete the following course pattern, earning a grade of ‘C’ or better in each course:
   a) Two transferable college courses in English composition
   b) One transferable college course in mathematical concepts and quantitative reasoning
   c) Four transferable college courses chosen from at least two of the following subject areas: the arts and humanities, the social and behavioral sciences, and the physical and biological sciences.

Application Filing Periods

The University of California system includes nine campuses. All campuses, except for the San Francisco Medical School, follow similar entrance requirements and use a common application form. However, individual campuses may impose additional entrance criteria for impacted majors and programs. Consult the university catalog, a member of the Palomar College counseling staff, or http://www.assist.org for specific information. Applications may be accessed at http://www.universityofcalifornia.edu.

Berkeley and Merced:
- Fall Semester 2016: Nov. 1 – 30, 2015
- All other campuses:
  - Fall Quarter 2016: Nov. 1 – 30, 2015

NOTE: Courses approved for IGETC will meet these admissions requirements for the University of California.

Students may transfer up to 70 UC transferable community college units to the UC. A minimum 2.4 GPA is required for admission, but most of the UC campuses use a 3.0 or higher GPA depending upon the major.

Detailed information on how to make up missing high school subjects is available in the Counseling and Transfer Centers. A complete listing of all Palomar courses which transfer to the UC campuses is available at http://www.assist.org.

General Education/Breadth Options

Each school and college at every UC campus has its own general education/breadth requirements. Students may fulfill the lower division general education/breadth requirements at any UC campus by completing one of the following two options:

1. The Intersegmental General Education Transfer Curriculum (IGETC) which will fulfill the lower division general education/breadth requirements for all UC and CSU campuses.*
2. The specific lower division general education/breadth requirements of the campus to which they intend to transfer.

The IGETC transfer certification pattern is listed above under Transfer Planning and is also listed on the Assist website at http://www.assist.org. Students should consult a Palomar College counselor to determine which option is best suited for their educational objective.

* Use of the IGETC to satisfy lower-division General Education requirements is either not allowed under some circumstances or not recommended for some majors. Consult a counselor regarding these restrictions.

General Education Certification

Certification is a legal agreement between UC and community colleges in California to assure that UC lower division general education requirements have been satisfied.

The entire pattern must be completed prior to transfer. Upon enrollment in final requirements, the student should submit a Petition for Graduation/Transfer Certification form, along with the Advising Guide (signed by a Counselor) to the Evaluations Office. Official transcripts from other colleges and universities, Advanced Placement exams, and International Baccalaureate exams must be on file before submitting the petition, and will be reviewed for inclusion in the certification process.
Transfer Admission Guarantee Programs
Palomar College has transfer admission guarantee programs with seven campuses of the University of California. All of these agreements guarantee admission into the university and some guarantee admission into the major.

Each Transfer Admission Guarantee program varies in regard to eligibility, terms of transfer, minimum grade point average (GPA), etc. Visit the Transfer Center or the Transfer Center web page at http://www.palomar.edu/counseling/transfercenter for additional updated information.

The following is a list of UC campuses with which Palomar College has admission guarantee programs. These Transfer Admission Guarantee programs are referred to as TAGs.

University of California, Davis (UCD)
Palomar College participates in a TAG program with UC Davis, which guarantees admission to the university and to most majors.

University of California, Irvine (UCI)
Palomar College participates in a TAG program with UC Irvine, which guarantees admission to the university and to most majors.

University of California, Merced (UCM)
Palomar College participates in a TAG program with UC Merced, which guarantees admission to the university and to most majors.

University of California, Riverside (UCR)
Palomar College participates in a TAG program with UC Riverside, which guarantees admission to the university and to most majors.

University of California, San Diego (UCSD)

University Link Program
Graduating high school seniors are eligible for this program which promotes preparation for guaranteed admission to UCSD. This program links Palomar students with counselors from Palomar and UC San Diego. Contact the Counseling Center for additional information. This program is also available for veteran students.

University of California, Santa Barbara (UCSB)
Palomar College participates in a TAG program with UC Santa Barbara, which guarantees admission to the university; however, not a guarantee into the major.

University of California, Santa Cruz (UCSC)
Palomar College participates in a TAG program with UC Santa Cruz, which guarantees admission to the university; however, not a guarantee into the major.

Independent California Colleges and Universities
There are more than 75 fully-accredited independent colleges and universities currently affiliated with the Association of Independent California Colleges and Universities (AICCU) providing a host of options at undergraduate, graduate, and professional levels for students planning to continue their education beyond Palomar College.

Admissions policies vary widely from one school to another, and virtually all institutions give full credit for general education courses and usually for courses designated for transfer by the community college. A good rule to follow for independent colleges as well as for out-of-state institutions is to expect full credit for courses which are parallel in scope and content to courses offered for credit to lower division “native” students at those institutions. Articulation agreements for many independent institutions are available in the Counseling Center.

Independent colleges are flexible in admission policies and in awarding credit. They invite interested students to make an appointment with their Office of Admissions in order to discuss transfer opportunities on a personal basis.

Financial aid may be a primary factor in considering attending an independent college. Most students cut the cost in half by attending the community college to complete the lower division course work and requirements. Information on financial aid and scholarships is available from the financial aid offices on independent college campuses as well as in the Financial Aid Office at Palomar College.

Students are advised to refer to the AICCU’s web site at www.aiccu.edu.

Private and Out-of-State Universities
Palomar College offers courses similar to those offered in the lower division, or the first two years, of four-year colleges and universities. Since course requirements for graduation vary between colleges, it is to the student’s advantage to choose the college or university to which he or she plans to transfer as early as possible.

Students are advised to complete the courses at Palomar College which best satisfy the lower division course requirements at that particular college or university to which he or she ultimately transfers. Lower division course requirements typically include a set of general education courses as well as a sequence of courses in the student’s chosen major field of study.

Students are encouraged to meet with a counselor to develop an academic program best suited for their transfer institution and intended major. The Transfer and Counseling Centers maintain materials to assist students in their transfer planning.
