WELCOME DR. KATHRYN KAILIKOLE

We would like to extend a warm welcome to Dr. Kathryn Kailikole, Interim Dean of the Mathematics and the Natural and Health Sciences (MNHS) Division. Interim Vice President of Instruction, and former Dean of MNHS, Dan Sourbeer introduced her to the campus community with this, “Dr. Kailikole earned her Bachelor’s Degree in Applied Mathematics from University of California, Berkeley; her Master’s in Education, Curriculum and Instruction, through University of California, Santa Cruz; and her Ed.D in Education, Teaching and Learning, through the University of California, San Diego. She comes from Drexel University in Philadelphia, where she served for over five years as the Director of Analysis and Strategic Planning.” Some of us remember Dr. Kailikole from UCSD where we met her as students. Others may remember her through TRiO and the Council for Opportunity in Education as Director of the Louis Stokes Institute for Opportunity in STEM Education. We congratulate and welcome Dr. Kailikole to the Palomar Community College District.

STEM CENTER UPDATE

If you have not been up to the STEM Center to check on the progress of the expansion, then you are missing out. There are a lot of changes happening and much more new developments ahead. Check out the photos to get a glimpse of what is happening now. Feel free to stop by and see the progress for yourself.

No carpet in the new additional space.
New window frame for the second

Second study room and new counseling office door.

Looking into second study room, with cut out of television mount.

COUNSELING

Do you want a summer internship? Now is the time to start submitting your applications. Take a look at our internship links on the STEM website and search for opportunities. If the application requires an essay, consider using your scholarship essay and tweaking it to match the requirements for the internship. Remember, networking is part of the puzzle when it comes to finding a job.

TUTORING AND SUPPLEMENTAL INSTRUCTION (SI) ACTIVITIES

We have updated our STEM Center website Tutoring and Supplemental Instruction pages. You can now find when the tutors are available, what subjects they provide tutoring in, and their room locations. You can also find the Supplemental Instruction leaders schedule, which includes their SI session locations and hours on the STEM Center Website.

Anatomy/Physiology	NS-146
Biology	NS-356
Chemistry	NS-356
Computer Science	NS-356
Math, Physics, Engineering	NS-356

Note: Schedules are accurate as of their publication date. Please contact the STEM Center at x2265 to verify the day's schedule.

STEM Center Spring 2016 Supplemental Instruction (SI) Schedule

Course	Student Name	Monday	Tuesday	Wednesday	Thursday	Friday
Chemistry 110 Lab #31217	Patricia		11:00a-12:00p NS-146		11:00a-12:00p NS-146	9:00a-10:00 a NS-146
Chemistry 110 Lab #31036	Vincent			8:00a-10:30a NS-146	1:00p-3:30p NS-360	
Chemistry 221 Lec #30257	Jason	5:00p-7:30p NS-360		5:00p-7:30p NS-360		
Chemistry 221 Lab #30258	Victoria	5:00p-7:30p NS-360		5:00p-7:30p NS-360		
Chem 115 #31131	Jordyn		12:30p-3:00p NS-360		4:00p-6:30p NS-360	
Zoology 200 # 30344	Christopher	2:00p-5:00p NS-324				9:00a-12:00p NS-324
