NON-INSTRUCTIONAL DAYS AND HOLIDAYS

The STEM Center will be closed on the following days:

Veteran's Day, November 11

Non-Instructional Days November 21, 22, and 23

Thanksgiving– November 24 and 25

There will be no tutoring or counseling appointments available.

We will re-open on Monday, November 28

GTASP WORKSHOP

Monday, November 14; 2:00-3:30p; Room is TBD

The Guaranteed Transfer Agreement Support Program (GTASP) has been re-instated for STEM Scholars! If you are a STEM Scholar, have declared a STEM major, and are interested in transferring to CSUSM this workshop is for you.

We will explain the requirements of the GTASP and what you can do to get started now. Even if you have already completed your CSUSM application, we encourage you to attend this workshop as well. Please send an RSVP with your name and student ID number to stemprogram@palomar.edu if you would like to attend this workshop. For more details, contact the STEM Center staff.

GIS DAY

Wednesday, November 16; 9a-3p and 6p-7p

Celebrate GIS Day at Palomar College. There will be an information and activity table on the first floor lobby of the Natural Science Building from 9AM to 3PM with interactive activities and prizes. There will also be a guest speaker in NS-135 6PM to 7PM. Mr. Sean Taugher, Vice President of Distribution Strategy-Citibank, will discuss how GIS is used in marketing and planning within Citibank. For more information about the event, contact Mr. Wing Cheung, Professor of Geography and GIS, at wcheung@palomar.edu.

UCSD STARS PROGRAM

Thursday, November 17; 2:00p-3:00p; NS-145

The Summer Training Academy for Research Success (STARS), at UC San Diego, is an 8-week summer research program for community college students. The goals are to increase the diversity of undergraduate students with research experience and prepare them to transfer. STARS offers student participants a rigorous research opportunity with esteemed UC San Diego faculty, informative transfer preparation workshops, and educational, cultural, and social activities at the UCSD campus. Join us to learn about the STARS application process, the benefits of participating in the program, and specific requirements to apply. Last year, three Palomar College students participated in the program, this year it could be you! To RSVP, email stemprogram@palomar.edu with your name and ID number.
