**JESSICA IS PURSUING A NEW CAREER OPPORTUNITY**

Jessica Perez-Corona is the Tutorial Specialist at the STEM Center. She has been working at the STEM Center since August of 2013 and she has been at Palomar College since April of 2008. Recently, Jessica was offered a new job opportunity at MiraCosta College and will be leaving Palomar College. Jessica has enjoyed her time at Palomar College. She says, “Nothing makes me happier than seeing students succeed. It’s been a privilege to be a small part in that at Palomar. Being at the STEM Center has definitely helped me grow as a professional and I am extremely proud of all the work that has been done here.” While we are sad to see Jessica leave, we are very proud of this new accomplishment. We wish her the best at MiraCosta College!
