You'll Never Be The Sun

You'll never be the sun
turning in the sky
and you won't be the moon above us
on a moonlit night.

And you won't be the stars in heaven
although they burn so bright
But even on the deepest ocean
you will be the light.

You may not always shine as you go
barefoot over stone.

You might be so long together
or you might walk alone.

And you won't find that love comes easy
but that love is always right.

So even when the dark clouds gather
you will be the light.

And if you lose the part inside
when love turns round on you
leaving the past behind
is knowing you'll do like you always do.
Holding you blind,
keeping you true.

You'll never be the sun
turning in the sky
and you won't be the moon above us
on a moonlit night .

And you won't be the stars in heaven
although they burn so bright.

But even on the deepest ocean
you will be the light
you will be the light
you will be the light.
