Palomar College Career Counseling Video Airs on Local Television

San Marcos -- Palomar College's Career Center will air a television show called "Success with John Dise" every Monday evening from 11 p.m. to 11:30 p.m.

The program, starting Monday, Sept. 11, will be shown on Dimension cable channel 28 and Daniels cable channel 35.

Dise has been a career counselor at Palomar College for seventeen years and is director of the Career Center. "The video program shows how five local people with different goals found practical career guidance and instruction at the Palomar Career Center," said Dise.

The program shows interviews with Dr. Doug Hectrick, a chiropractor in Escondido; David Lucero, a Native American in his last year of medical school at UC Davis; Elizabeth Dobbs, a real estate agent currently working on a teacher's credential at Palomar College; Lorin Kelly, a black student and entrepreneur; and Peter Gonzales, a public administrator working in Los Angeles.

"We want people in San Diego County to be aware of the many free-of-charge services and the type of motivational support the Palomar College Career Center has to offer," Dise said.

The career center is located in the Student Services Center on Palomar's main campus, 1140 W. Mission Rd. The center's resources are open to everyone and are designed for people who are entering their first career and for those who want to change careers.

For more information on the career center, call 744-1150, ext. 2194.
