**Required Texts:**  
- Mitchell, *The Last Stamp* (do not purchase; instructor will loan out copy)  

**Note:** For Henretta, a combined edition of vol. I and II was ordered. Volume I will be used in History 101.

**Attendance:** It is the student’s responsibility to show up on time for class and to initiate any withdrawal from the course. Examination scores will be negatively affected, however, by excessive absences.

**Examinations:** Three major exams will be given during the semester (see syllabus for dates). Part I (100 pts. for exam 1, 60 pts. for exam 2, and 90 pts. for exam 3) will be based upon student answers for the study questions drawn from the Henretta chapters. These chapters are worth 20/10 points each. Study questions for them will be distributed at the beginning of each section of the course. If possible, please use a word processor, single spacing or double spacing between your answers to each chapter’s questions. (You do not need to repeat the question. Simply list your answers by chapter and question number.) Excessive copying from the text will negatively affect your grade. Selected questions from the chapters will be graded. Due dates for individual chapters are as follows:

**Exam #1:** Ch. 16 due Wed., Jan. 28 / Thurs., Jan. 29  
Ch. 17, 18, 19, 20, & 21 due Wed., Feb. 18 / Thur., Feb. 19

**Exam #2:** Ch. 22, 23, 24, & 25 due Wed., April 1 / Thur., April 2

**Exam #3:** Ch. 26, 27, 28, 29, 30, & 31 due Wed., May 6 / Thur., May 7

*No late chapters are accepted.* Also, they are to be turned in at the beginning of class on the date due. Chapters turned in at the end of class will not be accepted. Additionally, do not place your chapters in the plastic box on my office door.

Part II of the exams (100 points for exams 1-3) will be done in class on exam day. It will consist of short-answer questions drawn from the lecture material. The questions that comprise Part II will be handed out in class approximately one week prior to the exam. If a student fails to take Part II of the exam on the specified test date, the make-up exam must be taken during the first office hour on the weekday following the in-class exam (i.e., on Thursday for MW classes and on Monday for the TTH class.) No make-up exams will be given after that time. Additionally, make-up tests incur a point penalty of 20 points.
Lawrence, California govt. text: Study questions will be distributed for the Lawrence text after Exam #1. An objective test (150 pts.) will be given on California state and local government based upon those questions. See syllabus for test dates.

The Last Stamp: A copy of *The Last Stamp* will be loaned to each student and that copy will be returned to the instructor on the day of the exam. The test (100 pts.) will consist of some multiple-choice questions and one short essay question. (Note: The make-up exam will be completely essay in format and must be taken at the class meeting that follows the scheduled test.) See syllabus for exam date.

Final Exam: The final exam will be given during final exams week in May. It will consist of one question worth 50 points. Students will be given three questions on the day of the final and they will write on whichever one they prefer. Lecture notes may be used as reference during the final.

Grading Policy: 850 points will be possible by the end of the semester. Course letter grades will be assigned at the end of the semester based upon the following percentage breakdown:

- 100 - 93 = A
- 92 - 84 = B
- 83 - 74 = C
- 73 - 63 = D
- 62 & below = F
