Using Adobe Acrobat to mark up changes in the SDDMA newsletter

To streamline production of the SDDMA newsletter, newsletter reviewers will use Adobe Acrobat 5 to add comments to the SDDMA newsletter.

This web site shows how to use the annotation tools in Acrobat to add comments to the newsletter.

The Notes Tool allows you to attach comments to the newsletter.

The Sound Attachment Tool allows you to add verbal comments to the newsletter.

The Pencil Tool allows you to visually mark up the newsletter.

The Text Annotation Tools allow you to visually mark up text in the newsletter.

DEAR SDDMA MEMBERS & FRIENDS,

The SDDMA board is always interested in fulfilling its charter to its members, so we are especially interested in how to best meet our members needs.

Not that anything needs fixing. But the old saying “if it ain’t broke, don’t fix it” is being replaced by “good is not enough.”

Now is a great time for any SDDMA member to get involved with your association. We are actively beating the bushes for
