The District, and each individual who represents the District, shall provide equal access to its services, classes, and programs without regard to national origin, religion, age, sex, gender, gender identity, race, color, medical condition, ancestry, sexual orientation, marital status, physical or mental disability, or because he/she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics. 18

No District funds shall ever be used for membership, or for any participation involving financial payment or contribution on behalf of the District or any individual employed by or associated with it, to any private organization whose membership practices are discriminatory on the basis of national origin, religion, age, sex or gender, race, color, medical condition, ancestry, sexual orientation, marital status, physical or mental disability, or because he/she is perceived to have one or more of the foregoing characteristics, or because of his/her association with a person or group with one or more of these actual or perceived characteristics. 26

All courses, including noncredit classes, shall be conducted without regard to the gender of the student enrolled in the classes. As defined in the Penal Code, “gender” means sex, and includes a person’s gender identity and gender-related appearance and behavior whether or not stereotypically associated with the person’s assigned sex at birth. The District shall not prohibit any student from enrolling in any class or course on the basis of gender. Academic staff, including but not limited to counselors, instructors, and administrators shall not offer program guidance to students which differs on the basis of gender. Insofar as practicable, the District shall offer opportunities for participation in athletics equally to male and female students. 35

The District shall from time to time as necessary provide professional and staff development activities and training to promote understanding of diversity. 37
The Superintendent/President shall establish administrative procedures that ensure all members of the District community can present complaints regarding alleged violations of this policy and have their complaints heard in accordance with the Title 5 regulations and those of other agencies that administer state and federal laws regarding nondiscrimination.
