5. New Business

Discussion/Action:

A. Stock the Bank

Advisor Marilyn opens discussion about the allocation of points for event on November 2nd; in past years clubs have received points for bringing in non-perishable food items. Items can be submitted to the collectors in the quad, or to the OSA.

Circle K suggests a 5-point quarter point per item system capped at 20 points for clubs participating in the event. Advisor reminds representatives they are free to provide any item (cereal, canned meats, microwavable food items, etc), but to avoid ramen, water, and any odd canned food. Person submitting items must also mention the club they're submitting for.

NASA enters at 9:20.

Motion: Move to allocate points using the quarter point per item system maxed at 15 points, plus an additional 5 points per participation, capped at a total of 20 max points per club.

M/S: Woodworking/No Limits

Vote: Unanimous

Motion carries.
