**4. Old Business:**

- a. Discord

Invite link was sent out last Sunday to clubs and representatives. Most were sent to club emails so if one is needed directly, ask chairperson. Link was limited to only 100 invites for now.

Question: Is it okay to use your personal discord account

Response: You can use your personal, and when you get into the actual server [for the ICC representatives] you can change your nickname to YourName-YourClub

- b. Halloween Escape

Coming up on October 31<sup>st</sup>. It's one day we're asking the clubs to really get involved.

Promote your club in the Halloween theme

Mecha and PUENTE will also be having an event celebrating Día de los Muertos

Palomar Theater Ensemble is doing a Haunted House at the theater until October 30<sup>th</sup>

Needs an ICC representative to chair this event: Transitions Collective volunteers

not on agenda so they will be discussed next week  
Points will start being posted on Discord afterwards

## 7. Reports:

- a. Palomar Women in Computer Science: For the past couple weeks, we've been preparing for an XT robot competition which will take place on November 14<sup>th</sup>. And so now we're preparing the club to participate in that competition.
- b. Photo Club: We had an officers meeting yesterday to finish up our calendar. We have decided that at the Halloween Bash we are going to have a photobooth, that's going to be a fundraiser for us, so we are putting together a photo booth. Since people are going to be in costumes, we figured that would be a great time to do that. We are also having a library reception on November 13<sup>th</sup>, we made plans for that and the open house that is for the entire media department and we are going to be going to the Renaissance fair on November 3<sup>rd</sup> where we are going to set up a large format booth. We have discussed with Physics and Engineering; we are going to collaborate with them and we approved all of that yesterday.
- c. Women in Leadership Club: We are finalizing our event during political economy day from 11:10-12:35 and we are starting our calendar
- d. Physics and Engineering: we're continuing to make electromagnets and we had a really cool demonstration on wiring boards and we're also continuing to place T-Shirt orders for our club
- e. Astronomy Club: we are having our next astronomy club meeting on Tuesday October 29<sup>th</sup> at 4pm in NS-117.
- f. Cybersecurity Club: we are going to be training for the NCL. The preseason is going on now until the 21<sup>st</sup>. The individual games go from November 1<sup>st</sup>-3<sup>rd</sup>. It's kind of fun. Our meetings are on the first and third Wednesday at 4pm in MD-220.
- g. Palomar College Young Americans for Liberty: As always, meetings are every week, Wednesday at 5pm. Next week on Tuesday we will be having our very popular free speech ball event where we will be blowing up a giant speech ball, handing out sharpies and allowing people to write whatever they want on the ball, no restrictions. And in the nature of free speech, no restrictions, we will be doing this just outside the quad area and not submitting a use of facilities because we are just using our stuff and we shouldn't have approval
- h. Palomar Chemistry Club: we've moved up to weekly meetings to perfect some of our experiments to the outreach event. Our next meeting will be October 26<sup>th</sup> at 6pm in NS-360. And we're continuing to get ready for the outreach event at San Marcos Middle School on November 7<sup>th</sup>
- i. Business Club: we are still organizing our events calendar, trying to come up with a meeting date for our first official membership meeting and working on advertising our club.
- j. Ceramic Arts and Silicates Association: We just had visiting artist, Mary Kell Wilson, on the 16<sup>th</sup> and on that same day we were able to hold a quick meeting to vote for our pizza budget for our Throw-a-thon that's coming on the 23<sup>rd</sup> from 2:30-5:30pm. It's a bunch of potters who come together so we have production potters, alumni and

students throwing pots for us so we can sell that at the Crafts Sale that provides for our equipment, visiting artists and other events.

- k. Fashion Club: no updates
- l. MECHA: we participated in Undocumented Student Week of Action with the students. We had our club meetings every Tuesday in MD-317 from 2:30-4:00pm. We're going to have a retreat soon to discuss Planes de Santa Barbara, so it's an introduction to why we have MECHA and things. We're going to a Christmas/ Winter party and it's going to be in December so we're setting up for that and then also Día de los Muertos is happening so we're going to be setting up an Ofrenda here and at the Escondido Campus.
- m. Pre-law Club: so this last week we just had a board meeting where we were discussing what we were going to do for the rest of the semester. Our next meeting is on the 23<sup>rd</sup> from 4:30 to 5:30 in MD-303. Currently, we're working on a Law School visit to Cal Western
- n. PUENTE: we decided to do a booth for Día de los Muertos to educate people who might not know what it's about, why it's celebrated and the history of it.
- o. Transitions Collective: This coming week is going to be very busy for us. We're starting tomorrow with the Monster Bash and Dash showing support for Palomar College and we'll be showing up as a group. Come on out, join us. It's a fundraiser and there will be beverages later in the evening afternoon. On Wednesday, Political Economy day, 9:35, Transitions Collective will be presenting the film *The Feminist on Cell Block Y*, this was done at Soledad State prison. It will be very interesting; we'll be having a panel of 'experts' to answer any questions. And then at 5:30 we'll be in MD-157 and we will be showing the 13<sup>th</sup>, which is about the 13<sup>th</sup> amendment and what it all means and what actually happened. Our regular schedule meetings are on Thursday at 11:00am in SU-204
- p. Hikers and Backpackers Club: This week, we did our weekly hike and start getting ready trip plans for our thanksgiving Joshua Tree Trip
- q. Palomar Math Club: our regular meetings are every other Monday, next meeting is on October 21, 2019. Right now, we are preparing ourselves for the AMATYCs exam (American Mathematical Association of Two Year Colleges), we are practicing and our advisor is taking a monkey poll on whether we should have it on a Monday or Saturday trying to pull in as many people as we possibly can.
- r. Palomar Theater Ensemble: We still have our meetings every Wednesday at 5:30 at PAC-127. We are currently in the works of getting the Haunted House together. We are looking for any volunteers; scare actors, costumers, makeup artists really anyone that has any scary talents to volunteer and help us with the Haunted House. We are looking to collaborate with other clubs for sure. The Haunted House is going to be on the 29<sup>th</sup> and 30<sup>th</sup> of October from 6:00pm-9:00pm. Right now, it's free with donations accepted. We will also be selling concessions at the event.
- s. AODS: Our next meeting is at 3pm Monday, October 28<sup>th</sup> in MD-201. If you have any questions about drugs or alcohol or if you want to be a counselor, come check us out. Some things we're trying to put together is we're trying to get some T-Shirts put together for a fundraiser also ticket sales for scholarships and as I stated before, the

- poster *Lift a Mask* is about mental illness, bipolar, it's put on by the Koala Foundation. That is Thursday October 24<sup>th</sup> at 6pm and it's free.
- t. Native American Student Alliance: Our club meetings are on Thursdays from 2:30-3:30 in MD-132, there's a sign that says Native American Resource Center and it's just right above the door for better reference. It's a new sign, go look at it, it's beautiful. We discussed events that we would like to start to promote comradery within our club. Other clubs are invited, more updates on that later as to what it will be. Talks about potluck and rock painting, things that we can have for future club groups in the future semesters to come
  - u. LDSSA: we have been planning and have planned a fun, pumpkin carving and decorating activity on the 21<sup>st</sup> of October which just happens to be this upcoming Monday. So feel free to come on down, it's just going to be at the Institute of Religion at 249 Palm Rd, I might be wrong about that. It's across the way from the theater on the backroad so if you want to come on down, it's going to start at 7. We're just going to carve pumpkins, have fun, eat food.
  - v. Psi Beta Psychology: We recently decorated pumpkins which are on display in the hall in the MD building on the second floor. Come check them out if you're so inclined.
  - w. Tech Club: we are working with PWICs to do a robot competition. The date isn't confirmed yet, we still have to reserve a space, but pretty sure that space never gets reserved anyways. It is in progress and we will give you a firm date on Discord and announce it as soon as we can. Anyone interested in learning more about computers and their systems, come to our meetings and we will be glad to have you. We may have pizza, maybe not
  - x. Chairperson's Report: I just want to thank everyone; these last couple says was really a great turn out. And then, we'll have it in next week's agenda but coming up next month we are going to have Basic Needs Awareness event and Diversity Day event, so we will get those on the agenda so keep those in mind. And there is an events calendar on the website, and we'll work on getting that on Discord as well.
  - y. Vice-Chairperson's Report: Thank you everyone for coming here on a Friday, it's a really full meeting, glad to see everyone is here for their clubs. I just want to mention, if you're here past roll call, it's your responsibility that you get on our record so come see us if you're a club that is here past roll call.
  - z. Advisor Report: Just two reminders. One, if you have like a cool club picture of you and your colleagues that you want posted on our website, we are going to be doing like a mini slideshow just to advertise you all so that students can see our student life. So, if you have a fun picture whether it is at your table or just a couple classmates together, I'm happy to post that on our website. And then secondly, just as a reminder if you have club meetings or if you're carving pumpkins or if you're having a club event, please send that to me so I can send it out to our students as well as post on our upcoming events calendar and I also have the access to post it on the Palomar's Homepage. So you can also have your events publicized on the main page and the office of student affairs. So just a friendly reminder, you don't have to, but I'm sure it'll help with turn out if you're looking to add some new students.

**8. Future Agenda Items:**

The deadline to submit any requests is the preceding Monday by 6:00 PM

**Adjournment: 9:36 AM**
