## Advanced Placement (AP) Guide

- Students must have the College Board send an official Advanced Placement transcript to the Palomar College Records Office. Credit is awarded for scores of 3, 4, or 5. Students shall not receive duplicate credit for equivalent coursework and AP exams.
- AP credit may be used to meet Associate Degree GE and/or Palomar major course work, CSU GE, and IGETC requirements. Each CSU/UC campus will determine how it will apply examinations toward units and coursework in the major and G.E. (if not certified prior to transfer)
- When included within the Associate Degree for Transfer (AA-T/AS-T), Advanced Placement (AP) credit shall apply toward the lower-division minimum unit requirement for the CSU degree, and if applicable, the minimum unit designation for the CSU major or CSU GE-Breadth requirements.
