

# MISSION STATEMENT

*The mission of the Business Administration Department at Palomar College is to prepare students for success in business and business-related studies, so that they may transfer to a 4-year college in business and business related degrees, as well as pursue vocational business and business related education for career placement and advancement. Our students can earn Associate in Arts (AA), Associate in Science (AS), and Associate in Science in Business Administration for Transfer (AS-T) degrees, as well as Certificates of Achievement (CA) and Certificates of Proficiency (CP) in the following academic programs; Accounting, Business (General), Business Management, International Business, Legal Studies, and Real Estate. For more details about a specific discipline, click on the left panel.*

*Business students can move directly into employment, or take courses to upgrade existing job skills. Success depends on innovative and cutting-edge business skills. Our department offers the skills you need to succeed. We hope to see you in class soon.*

*Sincerely,*

*Business Administration Department
