

Internship Opportunity

Company: **CleanEarth4Kids**

Internship Position: **Environmental Health Internship**

College Credit: **You can earn college credit for your job or internship. Contact the Cooperative Education department at 760.744.1150 x2355 or jjarvinen@palomar.edu**

Organization Background

We are a nonprofit dedicated to protecting children's health, clean air, clean water and non-toxic public lands through education, activities, contests, challenges and collaboration. We promote education, health, happiness and integrity. We are actively working on many projects. We work with city councils, school boards, state legislatures, and work collaboratively with other groups for positive change.

Key Responsibilities

Write letters and articles, make phone calls, design graphics and newsletters, write legislation, meet with press, organize events and promotions, get donations for our contests, find and write grants, create web/social media presence and market our initiatives and programs. Make posters, signs, write essays, poems, songs and newsletters and create presentations for our contests, create curriculum and educational programs and materials. Design and deliver presentations, speak to groups, meet with teachers, administrators, school boards, staff, businesses, city council, volunteers, etc.

Qualifications/Minimum Requirements

Self-motivated and willing to learn. Passionate about helping others. Education, law, science, public health, medical, communication, public relations and marketing majors are encouraged to apply.

Additional Information

Desired Hours per Week: 10

Compensation: Unpaid. To be eligible for this internship, students will enroll in a Cooperative Education/Work Experience course to earn academic credit.
