

PRESIDENT'S UPDATE

Coronavirus (COVID-19) News

March 19, 2020

Dear Palomar College Student,

We really appreciate your understanding and commitment to pursuing your goals during this unprecedented time. We are continuing our commitment to the health and safety of you, our faculty, staff and administrators.

Effective immediately, we will no longer provide face-to-face student services. In planning for this significant change, we have used this week to build processes that will enable us to continue to provide you with the support you need as we move forward this semester and design our courses for remote delivery. Rest assured, we are working hard to make sure that your access to services remains available.

Please take a moment to become familiar with our [Quick Guide To Student Resources](#) and our new [FAQs for Students](#). If you don't happen to see an answer to your specific question, please send it to us and we will respond and then post it for others to view.

Despite all that is going on in our world today, I hope you have an enjoyable spring break. I hope that you will use the time to re-charge and return to your online classes with energy and continued commitment.

Sincerely,

Dr. Jack Kahn
Acting Superintendent/President
Palomar College
