### A message from your faculty

Dear Palomar Students! The faculty at Palomar College is committed to your success. We would like you, our students, to know that we are here for you and that we are dedicated to supporting, encouraging, and assisting you throughout your academic journey. Recent events have generated uncertainty and concern among many of our students, faculty, and staff. We are committed to creating a safe and inclusive environment for all. Listed below are some resources we would like to share with you. Please do not hesitate to reach out to your faculty and other student support services available on and off-campus.
