Enter your new Palomar Student ID number (Login ID), and leave the SSN box blank. Do not use dashes or spaces.

The only difference between creating your eServices account and resetting it is that you are selecting your challenge question and response. Be sure to use something you’ll remember!

Follow the rest of the prompts on the page to complete the process:
- Enter your DOB
- Read the password requirements
- Type your new password
- Type the confirmation
- Click Submit

*Your new password:
Retype new password: to confirm you typed it correctly.
