### Administrative Procedures for Implementation of Pass / No Pass Policy

- A student may switch his/her enrollment to pass/no pass status provided the change is completed prior to 30% of a class.

- A student may reverse his/her enrollment from pass/no pass status to receive an evaluative grade, provided the reversal is completed prior to 30% of a class.

- The fee for a pass/no pass class is the same as the enrollment fee.

- **No signature needed.** However, students are advised that four-year schools may limit the number of P units acceptable for transfer. Major preparatory classes should never be taken on a P/NP basis. ENG 100, 202 and 203 may not be taken as P/NP. In most cases, courses numbered below 100 are ideally suited for the P/NP option. Please see a counselor to see how this option may affect your educational goals.
