ESL Flow Chart

NOTES

Please note: The ESL guided self-placement process will help students determine which ESL courses they would like to take. Students may take one or more ESL classes prior to transfer-level composition if they choose. ESL 105, 106, and 110 are all Associate Degree applicable as well as transferable. ESL 106 transfers to CSU/UC as Humanities units, and ESL 105 transfers as elective units. ESL 110 transfers to CSU/UC as transfer-level composition like English 100.

Other non-credit courses for beginning level students are available, as well as ESL courses for students interested in pronunciation, grammar, conversation, career skills, computer skills, etc.

If you have questions, please contact the ESL Department at 760-744-1150 ext. 2272.
