

TB Renewal Information:

Where FULL TIME EMPLOYEES go to obtain TB results:

- Full Time Employees can obtain a free [Risk Assessment](#) at Palomar Student Health Services. Please call ext. 2380 or 760/891-7530, **the notice must be presented at the appointment.**
- Primary care providers can complete the Risk Assessment, or administer a Skin Test. If you require a Chest X-Ray your Primary Care Provider is the best option. This test is at the employee's expense.
- Urgent Care Centers, or Medical Clinics, can complete the Risk Assessment or administer a Skin Test. If they do not have a medical history for you they may require a Chest X-Ray to complete the Risk Assessment, which is why your primary care provider is the best option. Palomar will pay for all Full Time Employees Skin Test or Risk Assessment at Concentra or Work Partners. This notification must be presented at the time of the appointment.

Where PART TIME EMPLOYEES AND STUDENTS go to obtain TB results:

- Current Students can obtain a free [Risk Assessment](#) at Palomar Student Health Services. Please call ext. 2380 or 760/891-7530, **this notice must be presented at the appointment.**
- Part Time Employees may go to Primary care providers, Urgent Care Centers or Medical Clinics, can complete the Risk Assessment, or administer a Skin Test. If you require a Chest X-Ray your Primary Care Provider is the best option. This test is at the employee's expense.

Regulations Governing TB Requirements:

- Education Code § 87408.6
- Palomar Community College District Administrative Procedure (AP) 7336
- Palomar Community College District AP 7330
