

I. A. Reflect upon and provide an analysis of the four years of data above

In addition to the daily responsibilities, the Assessment Office has become the link between many departments at Palomar College. From July 1, 2017 to the end of June 2018, 846 Accuplacer and Written Challenge were proctor by the Assessment staff. During the months of Feb., March and April we traveled to 26 local high schools. We assisted over 3000 students with enrollment, reviewing their assessment recommendation and provided in person orientations. This year 34 high schools came to Palomar College for orientation, tour and lunch. The incoming freshmen students also participated on a special event (Discover Palomar) in June to receive Counseling/Orientation and Enrollment sessions. They received priority registration for Fall 2018. This program is going through a transition period and will continue in the years to come. The students become a cohort that can be tracked while attending Palomar College. Our goal next year is to continue the collaboration with the TLC, enrollment Services, Financial Aid, Counseling and Outreach.

I. B. Please summarize the findings of SAO assessments conducted.

A total of 28,081 students received placement into English, reading and math. A total of 846 students were assessed using other means of assessment. We have formed a partnership with CSU and are accepting their placement recommendation based on results from high school student's STARS testing. We are also using High School Transcripts, ACT, SAT and AP scores to determine student's placement.

I. C. Reflect upon the SAO assessment findings in Box B above. Discuss overall observations and any areas of concern or noteworthy trends.

In preparation for the implementation of AB 705, the assessment office is using Multiple Measures as primary placement. Accuplacer as a back-up test for Math, and a writing Challenge for English. Forming a partnership with the CSU system and accepting placement from other testing instruments is a more positive financial change. It will save time, money and the need to retest students. High schools are also partnering with CSUSM and Palomar College by offering an English class designed by CSU to prepare students for college level English. Placement in English at Palomar will be accepted from students enrolled in this class as long as the students get a passing grade of a "C" or better.

STEP II. PLANNING

Reflecting on the 4-year trend data, the SAO assessment results, and the college's Strategic Plan 2016, describe/discuss the discipline planning related to the following:

II. A. Programs changes and improvements (consider changes due to growth in FTES and Headcount, CSU/UC transfer language updates, articulation, workforce and labor market projections, certificate or degree completions, etc.)

Continue enrolling students at the local high schools or at Palomar College. Provide assistance with enrollment, Promise Program, reviewing assessment recommendations, and providing orientations and Academic Workshops at the high schools as well as on Campus. Maintain priority registration date to one day prior to regular registration. This will give students more time to meet with a counselor. The goal for next year is to test all students using Multiple Measures and Accuplacer as a back-up test to be more efficient and provide better service to new and current students.

II. B. Additional programs to develop (consider enrollment trends, student demands, wait times, comprehensiveness, etc.)

Work closely with the outreach department to manage student services at local high schools. Hire Palomar College students and visit local high schools on a regular basis to increase preparedness of high school students coming to Palomar. Improve one to one contact with a Palomar representative regarding application, assessment, orientation, advisement and registration. Early contact prepares students for success their first semester in college. Provide onboarding information to high school counselors during High School counselors Conference in November.

STEP III. RESOURCE REQUESTS FOR DISCIPLINE:

III. A. Describe the resources necessary to successfully implement the planning described above. Provide a detailed rationale for each request by referring to the analyses of data and SAO assessment results in Step I and/or to any other evidence not apparent in the data or SAO Assessment results.

a. Equipment (per unit cost is >\$500) Enter requests on lines below.

Resource	Describe Resource Requested	Prioritize these requests 1,2,3, etc.	Strategic Plan 2016 Goal/Objective Addressed by This Resource (Link)	Provide a detailed rationale for the requested resource. The rationale should refer to your discipline's plan, analysis of data, SAO assessments, and/or the College's Strategic Plan	Estimated Amount of Funding Requested	Will this be one-time or on-going funding?	Is resource already funded (in part or in full)? If so, name source. Why is that source not sufficient for future funding?
a1.	16 3'X6' tables	1	1.2	We need 16 tables to set up the 33 computers that we use for assessment. Equipment currently use is inadequate. Students hit power buttons and need to Log in again and have to do the tutorial.	\$16,000.00	One-Time	PEER's

b. Technology (computers, data projectors, document readers, etc.) Enter requests on lines below.

Resource	Describe Resource Requested	Prioritize these requests 1,2,3, etc.	Strategic Plan 2016 Goal/Objective Addressed by This Resource (Link)	Provide a detailed rationale for the requested resource. The rationale should refer to your discipline's plan, analysis of data, SAO assessments, and/or the College's Strategic Plan	Estimated Amount of Funding Requested	Will this be one-time or on-going funding?	Is resource already funded (in part or in full)? If so, name source. Why is that source not sufficient for future funding?
b1.	Xerox Machine	1	1.2	Make copies, scan documents, Fax placement information to other Colleges	\$2,805.00	One-time	PEER's
b2.							
b3.	Scanner	1	1.2	To scan assessment materials and test scores while visiting Local High Schools.	\$600.00	ongoing as needed	PEER's

b. Technology (computers, data projectors, document readers, etc.) Enter requests on lines below.

Resource	Describe Resource Requested	Prioritize these requests 1,2,3, etc.	Strategic Plan 2016 Goal/Objective Addressed by This Resource (Link)	Provide a detailed rationale for the requested resource. The rationale should refer to your discipline's plan, analysis of data, SAO assessments, and/or the College's Strategic Plan	Estimated Amount of Funding Requested	Will this be one-time or on-going funding?	Is resource already funded (in part or in full)? If so, name source. Why is that source not sufficient for future funding?
b4.	6 Lap Top Computers	1	1.2	To enter Assessment eligibility and process test scores for High School students.	\$2,500.00	One-time	PEER's
b5.							

c. Budget for 4000s (per unit cost is <\$500 supplies) Enter requests on lines below.

Resource	Describe Resource Requested	Prioritize these requests 1,2,3, etc.	Strategic Plan 2016 Goal/Objective Addressed by This Resource (Link)	Provide a detailed rationale for the requested resource. The rationale should refer to your discipline's plan, analysis of data, SAO assessments, and/or the College's Strategic Plan	Estimated Amount of Funding Requested	Will this be one-time or on-going funding?	Is resource already funded (in part or in full)? If so, name source. Why is that source not sufficient for future funding?
c1.	Supplies/ Materials	1	1.2	Printing cartridges, paper, and office supplies. Provide printed placement results for new returning and current students.	5,000	Ongoing, as needed to provide materials for students and staff.	PEER's

f3.							
f4.							
f5.							

III. B. Are there other resources (including data) that you need to complete your discipline review and planning?

[Empty box for resources]

STEP IV. SHARE YOUR ACCOMPLISHMENTS Please include at least one discipline accomplishment that you'd like to share with the college community.

Graduating seniors have always had priority registration but not taken advantage of it. Nine years ago we decided to have a special EAP event with counseling and registration. We have changed it since then to improve it and keep within a budget. It has been successful with over 2,800 students participating and 57% of them actually enrolled in fall 2018. After placement is completed, students are required to meet with counselors to create an Ed Plan. They meet on a one to one basis or small group sessions. Students have the opportunity to make appointments during the week or on Saturday sessions scheduled for registration assistance. All new students have priority registration and are able to enroll in the classes they need to start their educational experience at Palomar.

STEP V. ACCREDITATION For programs with an external accreditation, indicate the date of the last accreditation visit and discuss recommendations and progress made on the recommendations.

[Empty box for accreditation]

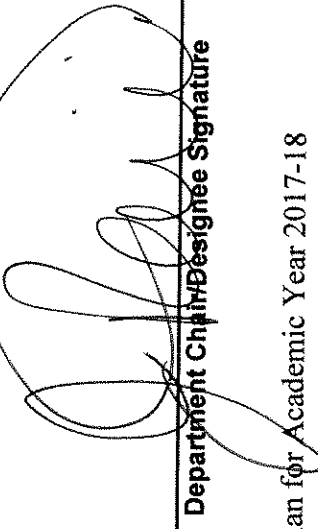

STEP VI. COMMENTS Other comments, recommendations: (Please use this space for additional comments or recommendations that don't fit in any category above.)

[Empty box for comments]

Please identify faculty and staff who participated in the development of the plan for this department:
