FAQ

**What is Bridge to College Math?**
This FREE noncredit (no unit charge) program is designed to give you support by building your mathematical confidence and proficiency while improving your math placement.

**What is a typical online Bridge day?**
You will work on your computer using an adaptive computer system. Advancing through the prerequisite knowledge needed to be successful in the college level class. The instructor and/or a tutor will be available to help you using zoom (video meeting software used for remote learning), during 9am-1pm. You can always work ahead on your own, and email instructor outside of these hours.

**Which classes is this designed for?**
Any one who would like a math refresher or has a math placement with an integrated co-requisite support course.

We are here to help everyone be successful in math. You will be work through one of the following course paths.

- **Intermediate Algebra bootcamp:**
  Intended for any student placed into M56+6, M56 or M60

- **College Algebra bootcamp:**
  Intended for any student placed into M110+11 or M110

- **Statistics bootcamp:**
  Intended for any student placed into M54, M120+20 or M120

- **Precalculus and Calculus bootcamp:**
  Intended for any student placed into M135, M140, M130+30, M130
