# FAQ

## What is Bridge to College Math?

This **FREE** noncredit (no unit charge) program is designed to give you support by building your mathematical confidence and proficiency while improving your math placement.

## What is a typical online Bridge day?

You will work on your computer using an adaptive computer system.

Advancing through the prerequisite knowledge needed to be successful in the college level class. The instructor and/or a tutor will be available to help you using zoom (video meeting software used for remote learning), during 9am-1pm. You can always work ahead on your own, and email instructor outside of these hours.

Contact: [LGuerrero@palomar.edu](mailto:LGuerrero@palomar.edu)  
for more info.

## Which classes is this designed for?

Anyone who would like a math refresher or has a math placement with an integrated co-requisite support course.

We are here to help everyone be successful in math. You will be working through one of the following paths:

- **Intermediate Algebra bootcamp:**  
Intended for any student placed into M56+6, M56 or M60
- **College Algebra bootcamp:**  
Intended for any student placed into M110+11, M110 or M126
- **Statistics bootcamp:**  
Intended for any student placed into M54, M120+20, M120, PSYC/SOC 205 or BUS 204
- **Precalculus and Calculus bootcamp:**  
Intended for any student placed into M115, M127, M130+30, M130, M135 or M140
