Registered Nurse needed for Psychiatric Outpatient Program

Do you have obligations that stop you from working the typical 9 to 5? Are you looking for a part-time position and still want to be eligible for benefits?

Are you interested in working in a fast-paced, challenging behavioral healthcare organization? Are you interested in a position that is rewarding and makes a difference in the lives of others? Do you like to be challenged and work in a setting that allows you to grow? Then API wants to hear from you!

This is a part-time Registered Nurse, Monday through Friday position and hours needed are 8:00 am – 1:30 pm

The position is based at our PATH location. Alvarado Parkway Institute's PATH program is a partnership with PATH Connections Housing. The facility is located in beautiful downtown San Diego. Paid parking is included in the employee compensation package for this location. The population served is homeless or at risk of homelessness mentally ill adults, including clients with dual diagnoses.

Qualifications:

The RN is responsible for the delivery of quality general and psychiatric nursing care to adults with emotional or psychiatric disorders. The RN position will serve actively as a member of the multi-disciplinary treatment team, supporting the organization and program philosophy of care; to ensure the safety and well-being of each patient. At Alvarado Parkway Institute we strive to deliver care focused on compassion and patient needs.

Experience and License:

Registered Nurse, current State of California Board of Registered Nursing license in good standing required.

Psychiatric nursing experience preferred but not required.

BLS Healthcare Provider CPR required.

API has a generous benefits package for our part-time and full-time employees including paid time off, medical, dental, vision, flexible spending account and 401(k).

Our mission is to improve mental health and quality of life by helping people maximize their potential. Join our team of compassionate healthcare professionals and commit to improving mental health and quality of life by helping people maximize their potential. Work where you can make a positive impact and lasting difference in people's lives
