

Two RN's looking for child care help!

My husband (Brian) and I are both RN's at UCSD. We are looking for an individual who preferably has experience in caring for younger children.

We have an almost 5yo daughter and 2.5 yo son.

Our schedules are flexible (with enough notice), and can potentially make ours based on your schedules as well.

We are looking for someone who can help out when we need to run errands, night out, work schedules, etc.

We live in San Marcos, close to CSUSM.

We have used previous nursing school students from local schools and have had great success!

Call or text if interested!
