## **WHAT IS UMOJA?**

Umoja (a Kiswahili word meaning unity) is a community and critical resource dedicated to enhancing the cultural and educational experiences of African Americans and other students.

Umoja is a program designed to facilitate a smooth transition from college and successfully transfer to a four-year university using a holistic approach to reach each student through mind, body and spirit. It promotes student success through a curriculum and pedagogy responsive of the African and African American Diasporas.
