

STUDENT DATA HACKATHON 2017

Inspiring Tomorrow's Data Heroes

Who

Tomorrow's data heroes: students at all skill levels, from ALL schools, **high school to PhD** level, full or part time are eligible to compete.

What

Student Hackers will compete for **cash prizes and internships** while identifying insights in public school data leading to better decisions about resources and opportunities. **No skill level is too low or too high.** This year's Hackathon includes career panels and networking opportunities.

When

Kickoff event: September 30
Solutions due: October 8
Awards ceremony: October 12

In partnership with:

DATA CAN BE
"HACKED" TO
REVEAL
IMPORTANT
TRENDS,
PATTERNS, AND
CONCLUSIONS
THAT HAVE THE
POTENTIAL TO
BETTER SHAPE
THE HEALTH AND
FUTURE OF OUR
COMMUNITY. DATA
ANALYTICS PLAY
AN INCREASINGLY
LARGE ROLE IN
THE OPERATIONS
OF BIOCOM'S
MEMBER
COMPANIES.
