FAFSA Deadline for 2017-2018 Academic Year June 30th, 2018

Do you want a summer internship? Now is the time to start submitting your applications. Take a look at our internship links on the STEM website and search for opportunities. If the application requires an essay, consider using your scholarship essay and tweaking it to match the requirements for the internship. Remember, networking is part of the puzzle when it comes to finding a job.
