

Falstaff vs. Hotspur.

Falstaff

- lives in the present.
- Falstaff like foot soldier.
- does not care about rener good friend of Hal's.
- old, fat, drinks to much and lives from day to day. does not think of future or of past.
- counterfirts death so he does not have to deal with fighting.
- plays off of Hal.
- Hal + Falstaff insult each other but they are still good friends.
- not comfortable with side of the pup.
- does not need rener or want it.

Hotspur

- lives by rener when rener's father and Glendower not coming to aid in war. he gets more honor for him.
- does not feel good in army other setting when he's in the field.
- lives in the past.
- does not listen to his way.
- wants to be crowned king Henry because next ruler to deal with was named Richard.
- successor of Henry 1st King Richard.
- finds no think to far ahead when comes to battle of Shrewsbury. Divide England up before battle even fought.
- ~~is~~ Hotspur like soldier on horse.
- very fit, young, aged.
- needs honor
