Sway

American Pie Soundtrack, 1999

Don't stray
Don't ever go away
I should be much too smart for this
You know it gets the better of me
Sometimes when you and I collide
I fall into an ocean of you
Pull me out in time, don't let me drown
Let me down
I say it's all because of you
And here I go losing my control
I'm practicing your name
So I can say it to your face
It doesn't seem right
To look you in the eye
And let all the things you mean to me
Come tumbling out my mouth
Indeed it's time to tell you why
I say it's infinitely true

Say you'll stay
Don't come and go like you do
Sway my way
Yeah I need to know all about you

And there's no cure
And no way to be sure
Why everything's turned inside out
Instilling so much doubt
It makes me so tired
I feel so uninspired
My head is battling with my heart
My logic has been torn apart
And now it all turns sour
Come sweeten every afternoon

Say you'll stay
Don't come and go like you do
Sway my way
Yeah I need to know all about you
Say you'll stay
Don't come and go like you do
Sway my way
Yeah I need to know all about you

It's all because of you
It's all because of you
Now it all turns sour
Come sweeten every afternoon
It's time to tell you why
I say it's infinitely true

Say you'll stay
Don't come and go like you do
Sway my way
Yeah I need to know all about you
Say you'll stay
Don't come and go like you do
Sway my way
Yeah I need to know all about you

It's all because of you
It's all because of you
It's all because of you

Course of Nature
Caught in the Sun
Caught in the Sun, 2001

You're my distanced destination of choice
I'd give anything just to hear your voice
I couldn't pass you on the street
Without saying a word
Most times I missed the voice
That goes unheard

What if I missed you
You got caught in the sun
What if I did something
Never to be enough

People everywhere how could I be sure
Is it you that I have been looking for
What would it take for me to be comfortable
With you, with me you're the chosen one

What if I missed you
You got caught in the sun
What if I did something
Never to be enough

You are there for me this I hope and pray
You will wait for me, I won't be too late

What if I missed you
You got caught in the sun
What if I did something
Never to be enough

Will you wait for me
Or will I be too late this time
You are there for me
This I hope and pray

THE CALLING
STIGMATIZED
CAMINO PALMERO, 2001

If I give up on you I give up on me
If we fight what's true, will we ever be
Even God himself and the faith I knew
Shouldn't hold me back, shouldn't keep me from you

Tease me, by holding out your hand
Then leave me, or take me as I am
And live our lives, stigmatized

I can feel the blood rushing though my veins
When I hear your voice, driving me insane
Hour after hour day after day
Every lonely night that I sit and pray

Tease me, by holding out your hand
Then leave me, or take me as I am
And live our lives, stigmatized

We live our lives on different sides,
But we keep together you and I
Just live our lives, stigmatized

We'll live our lives, We'll take the punches everyday
We'll live our lives I know we're gonna find our way

I believe in you
Even if no one understands
I believe in you, and I don't really give a damn
If we're stigmatized
We live our lives on different sides
But we keep together you and I
We live our lives on different sides

We gotta live our lives
Gotta live our lives
Were gonna live our lives
We're gonna live our lives, Gonna live our lives,
Stigmatized

To Make You Feel My Love

When the rain is blowing in your face
And the whole world is on your case
I could offer you a warm embrace
To make you feel my love

When the evening shadows and the stars appear
And there is no one there to dry your tears
I could hold you for a million years
To make you feel my love

I know you haven't made your mind up yet
But I would never do you wrong
I've known it from the moment that we met
No doubt in my mind where you belong

I'd go hungry, I'd go black and blue
I'd go crawling down the avenue
There's nothing that I wouldn't do
To make you feel my love

The storms are raging on the rollin' sea
And on the highway of regret
The winds of change are blowing wild and free
You ain't seen nothing like me yet

I could make you happy, make your dreams come true
Nothing that I wouldn't do
Go to the ends of the earth for you
To make you feel my love
